Dear Parents,

We have had a lot of fun this week. It helped the students to not be as anxious or excited about the upcoming holiday break. We took the academic pressure off this week.

They enjoyed creating a present for families which I hope you enjoy for years to come. They also enjoyed making a card for their family.

We read lots of books and created people and did crafts around these books this week.

We also had our first RIF distribution on Monday. This is a great program for our students to get free books four times a year. Thanks Mr. Burriss and Mrs. Haynes for doing this for our students!

Yesterday, we had high school spanish students visit. They shared books with the students and taught them some spanish. It was a lot of fun for everyone. We also had a couple of WRS students in the group which was fun to see them all grown up.

This morning we made Santa pancakes and enjoyed them together with the other kindergarten class.

We closed our full week with a school wide movie and popcorn in the gym. The students enjoyed this treat. We watched the movie Paddington 2.

After the holidays, if you have holiday cards that you are going to throw away please send them to me as I will use them in future years. I just need the front of the card so you can cut the front off and send that into me. Thanks!

I hope you all have a restful and enjoyable holiday. I will see everyone on Wednesday, January 2, 2019.
