## Public Safety Announcement

### **Brush Fire Safety**

**With spring-time yard cleaning right around the corner, there's a few things to keep in mind if you plan to burn.**

**You must acquire a burn permit from the Fire Department before you burn anything outdoors.**

**This includes:**

- Burning for weed abatement.
- Burning leaves, deadwood, or any brush.
- Campfires and outdoor fireplaces.

**You will need a burn permit, an air pollution permit and an inspection for the following:**

- Burning any stumps or logs that are greater than 4" in diameter.
- Burning any waste from a commercial operation, such as bark, sawdust or pallets.

**Burning of anything other than natural, untreated wood is not allowed.**

Please call the Fire Department with any questions, and to acquire your permits.

**Thanks for helping us keep our town safe for everyone.**
