Dear Parents,

It doesn't seem possible that we are beginning another month. As the seasons change so do the students. They are growing and gaining so many skills so quickly. As I prepare to meet with you and look back at some of their work from the beginning of the year, it is impressive how much most of them have grown. I will show you this work at our conference on Monday or Tuesday. Thank you for getting back to me so quickly. Remember, I schedule most conferences for 30 minutes. I have many back-to-back and try to run on schedule, but sometimes I do get backed up. If you have more questions or concerns, we can always set up another time to talk. Thanks for understanding. Report cards will be sent home on Friday, November 21.

The students did very well on Tuesday, when we had our fire drill that turned into a relocation. We were very proud of all our students. They took it very serious and did just what we would want them to do in a situation like this. Bravo WRS students!

This week we tried to keep our routine, but have some fun at the same time. The students enjoyed many different projects and fun activities. They didn't finish the packet that I had prepared, so I let them bring it home for fun. They might enjoy doing this, but no need to return it. We also enjoyed the treats that were sent in on Thursday. Thank you for sending in all the goodies! Please return any UNICEF boxes.

With November upon us I always think of our schoolwide Thanksgiving feast. We do this on Tuesday, November 26, which is our last day of school before Thanksgiving. Each grade level prepares something for the feast. We transform the gym into a dining room and enjoy a traditional Thanksgiving meal together. Kindergarten always makes the stuffing. I ask for donations for this. We will need lots of bread, onions and butter. I pick up the seasoning that we need. Things can begin to come in as we can freeze the bread. Please begin to think about what you can and are able to send in. Thank you in advance. Please contact me with any questions that you might have.

I am sending home towels today to be washed.
