Dear Parents,

Our first couple of days went very well. The children are learning the routine nicely. It is a lot for them to take in these first few days, but will quickly settle in. They are tired by the end of the day, but a good tired. I just wanted to thank all of you for your support this week as I know it is a big step to drop your child off for kindergarten for the first time. They did very well these last couple of days. I am very proud of them.

I want to remind you about a few things:

Our specials are the following:

Monday and Wednesday: Gym - sneakers

Tuesday: Music

Thursday: Library - they won't bring books home the first part of the year, just to the classroom

Friday: World Language and Art - old t-shirt is needed.

The fruit program will begin soon, so the children will need to bring a snack for the afternoon. Please contact me if you have questions about this. We will cook on Fridays. Thank you to those who have already sent in the snack money for the year. If you would like to send in money for the year, it is \$16.50. Please contact me if you have questions.

We practiced a fire drill and lockdown drill this week. I was very proud of how the children did during these drills.

I will send home book orders each month, in case you would like to order books. The first one will be sent next week.

Thanks to all of you who sent back your paperwork. Great Job!!! If you have not, please return it on Tuesday with your child.

Remember to send the red folder back with your child on Tuesday.
